

On my way to Florida, I stopped in Atlanta for the night and stayed with the Guthries. David and Bethany have been friends since 2009 and are a source of joy and encouragement.

During my time in Florida I got to stay with Uncle Stan, Aunt Rosemary and cousins Lindsey and Griffin. It was fun catching up on their lives, touring the church Uncle Stan works at, meeting their friends, and listening to their talented music abilities!

Pastor Joe Allotta, and his wife Amanda, invited us to be a part of the missions conference at **The Crossroads Church** in New Port Richey, FL. Since our third is due soon, Elsbeth stayed in Indianapolis with the kids. The church welcomed me warmly. We shared an international dinner the first night and heard from the missionaries on Sunday. I shared about the great needs in Korea and encouraged the church to reach out to lost friends and family members. Almost everyone committed to sharing the Gospel with at least one person they that know! After the morning service two college guys, Kris and Mark, treated me to lunch and shared their testimonies and plans for ministry. Thank you Crossroads Church for your support, prayers, and love of the Lord Jesus Christ!

The Walkers hosted me on the way back to Indy. Sherita and Layton have been faithful supporters of our ministry for a long time. They have set a great example of trusting God to do great things. Their home was a sanctuary of praise and hospitality.

The following Sunday I got to preach at Franklin Road Baptist Church in Indianapolis. I spoke from the lives of Saul and David about being a man after God's own heart. I compared these two kings to the Perfect King, Jesus, who submitted to the Father, sacrificed His own life to give new life!

At the conference I met Voice of the Martyrs' missionary Brian McIntyre. We talked about the persecution in North Korea and he introduced me to people at Word of Life, FL. He was a blessing from God!
